

Amplifying Foam

Brand: R10 Solutions

Price: \$20.50

Description

***** 8 fluid ounces *****

AMPLIFYING FOAM

WHAT IT IS:

A weightless foam that boosts hair to appear thicker, fuller, and more voluminous with precise control. It makes a great sculpting foam for wet-set styling and leaves the hair soft, shiny, and bouncy with lasting style.

THE BENEFITS:

- **QUINOA PROTEIN:** plumps each strand to maximum fullness.
- **BENTONITE CLAY:** strengthens and protects the hair.

HOW TO USE:

After shampoo and conditioner, apply sparingly to towel dried hair. Style as usual. This foam is very concentrated, exceeding one pump per head is rare.
